HEIGHT ADJUSTABLE DESKS

Incorporating height adjustable desks into your office environment offers numerous health and productivity benefits. Alternating between sitting and standing throughout the day helps reduce the risks associated with prolonged sitting, such as cardiovascular disease, obesity, and back pain. Height Adjustable desks are easy, quick and quiet to operate and offer the optimal vertical range to accommodate people of all sizes.

MARIO

This student stackable desk from the Mario is a perfect alternative to an ordinary and bulky classroom desk. Coming in charcoal plastic, this desk looks sleek while also being both durable and easy to maintain. Able to be broken down, stacked six high, and stored away, this desk is compact and leaves space for other activities. Not only good for the classroom, this student desk is a great solution for home schooled children or for parents who want a space at night for their children to complete homework.

LAB FURNITURE

KINETIC 5' INSTRUCTOR DESK

Complete demonstration center constructed of solid oak hardwood and oak veneers. It is finished with a chemical resistant, earth-friendly UV finish. Included are four drawers (three small, one file), and a large cupboard. The drawers are expertly crafted from the finest materials with dovetail joinery throughout. Drawers run on epoxy coated steel glides with nylon bearings for smooth operation. All units come with a GFI protected AC duplex receptacle. Unit comes with combination cold water/gas fixture, and polypropylene trap. Comes standard with pull out writing board, support rod with crossbar, rubber base molding and locks for cupboard and all drawers.

PERPETULAB WOODEN LEG TABLES

These tables are built for years of dependable service. Legs and aprons are constructed of solid red oak. They are finished with a chemical resistant, earth-friendly UV finish. Aprons are constructed of solid red oak and are 13/16"D x 41/2"H with heavy-duty 13-gauge steel corner braces. 21/4" square solid oak legs, with 5/16" hanger bolts installed, are attached to apron with nuts and washers supplied. All tables are equipped with non-skid adjustable glides for precise leveling and for prevention of rocking on uneven floors. Tables are supplied with black rubber leg boots which offer protection against scuffing and chemical spills. Weight capacity of 500 lbs.

FORWARD VISION™

This popular workstation allows four students to work at a single station while all are facing the teacher. The unique design leaves enough room to store four stools (not included) under the workstation. Sink units come with two combination cold water/gas fixtures. It comes with two GFI electrical outlets, and ample storage. The door cabinet comes with two adjustable shelves. The station is finished with a chemical resistant, earth-friendly UV finish. 2946K only comes with doors, lock included.

Available in five premium laminate finishes

OS CUBE STORAGE BOOKCASES

Featuring a durable melamine veneer finish with matching 2mm edge banding, these cubes offer roomy compartments to keep supplies, files, and personal items neatly organized and within reach. The versatile design integrates easily into any workspace, while the open-back panel ensures cords stay tidy for a clean look. Easy, hassle-free assembly means you'll be organized in no time, and with five modern color options, it's easy to complement any décor.
